There's a train a comin
Rollin down the tracks
Engines burnin screamin steamin
You can't hold it back
Everybodys bangin on anything they can find
Funky country musics rollin down the line
If you want try to fight this feelin that we found
This locomotive will run you down
Were about to rock this town

With a boom boom
Bang bang
All about the funky train
Make you shake shake
Like a earthquake
Unleash this beat
And make you move your feet
Kick up some dust
Now everybody scream

Get down get down
Cowboys get down
Get down get down
Cowgirls get down
Get down get down
Cowboys get down
Get down get down
Cowgirls get down

Grandmas makin biscuits heatin up the stove
She love how we arrivin on the radio
Grandpas chugin moonshine shakin his caboose
There grindin in the kitchen
Aint to old to cut loose
They aint gonna try to fight this feelin they found
Grandpa put his boots on
Grandma let her hair down down all the way down

With a boom boom
Bang bang
All about the funky train
Make you shake shake

Like a earthquake
Unleash this beat
And make you move your feet
Kick up some dust
Now everybody scream

Get down get down
Cowboys get down
Get down get down
Cowgirls get down
Get down get down
Cowboys get down
Get down get down
Cowgirls get down

Boom boom bang bang
All about the locash train
Well make your body shake
Like a earthquake

With a boom boom
Bang bang
All about the funky train
Make you shake shake
Like a earthquake
Unleash this beat
And make you move your feet
Kick up some dust
Now everybody scream

Get down get down
Cowboys get down
Get down get down
Cowgirls get down
Get down get down
Cowboys get down
Get down get down
Cowgirls get down
