Songwriters: Brust, Preston; Halbig, Erik; Lucas, Chris

I'm goin' eighty miles an hour down a forty mile road
And my heart is beating faster than the wheels can turn
Got you feet kicked up on the dashboard
And the sun is kissin' your skin

This is where I wanna be

You've got me feelin' good, livin' right
Laughin' all day, lovin' all night
Baby, you've got me
Lookin' at you, wantin' your touch
Little bit more still ain't enough
You got me
Yeah, you've got me

I can't sleep a single wink
With you near; I've got to have you lovin' on me
I just want to lay right here
Forever, it just gets better

Every second I've spent since the minute I've met you

Feelin' good, livin' right
Laughin' all day, lovin' all night
Baby, you've got me
Lookin' at you, wantin' your touch
Little bit more still ain't enough
You got me
Yeah, you've got me

Baby, close your eyes
And kiss me one more time

You've got me feelin' good, livin' right
Laughin' all day, lovin' all night
Baby, you've got me
Lookin' at you, wantin' your touch
Little bit more still ain't enough
You got me

Yeah, you've got me

You've got me feelin' good, livin' right

Laughin' all day, lovin' all night

Baby, you've got me

Lookin' at you, wantin' your touch

Little bit more still ain't enough

You got me

Yeah, you've got me
