This whole world's a homicide victim  
No one cares for no one  
Another spoke on the wheels of suffering  
Punished for nothing

We lie, we cheat, we steal for what  
For a knife in the back of trust  
Crushed beneath the hands of slaughter  
To a future without any hope

There are no saviors  
There are no favors  
After life in purgatory

Chained by our own hypocrisy  
Submerged in hate and fear  
As we dawn upon a new age  
Expression is rage

Child's cry beckoning  
Days of reckoning

No use accusing  
The answers are not there  
No use pretending  
That it gets any better than this

This whole world's a homicide victim  
No one cares for no one  
Another spoke on the wheels of suffering  
Punished for nothing

There are no saviors  
There are no favors  
After life in purgatory
