

Lock Up "Detestation"

Visit "[Detestation](#)" on MotoLyrics.com

Go

Damned survival of the damned
Cultural genocide fractured psyche
Termite's nest of sprawling filth
White noise hordes of dissidence

Detestation, detestation
Detestation, detestation

Damned survival of the damned
Cultural genocide fractured psyche
Termite's nest of sprawling filth
White noise hordes of dissidence

Detestation, detestation
Detestation, detestation

Path of contamination is sabotage
Dragged by the chains
There's no escape
