Ideological leper:
Newly planted tower
Grows from the ground and spills its guts out on the
sidewalk

Pseudo-politico
Flat talk o'clock:
Rolls past the site of a flesh insurrection

Sidestepping creep
Hostile slumlord:
Grabs his cash and hits the road,
His face is scarred and scabbed like the map of some
Desolate wasteland
A speck of neglect.
Bombed out and leveled
To be clanded again.

[We'll bury this city in trash]

Damage deceiver

Builds up his believers
And takes charge.

Stains half of the sewer
With Chaos and Clover
And Charred Tongues.

Is this the dumpster of your dreams?
And who will be your nxt trash crusader?

Ancestor incest,
The organs are rotting
On weak slabs.

Re=animating
The corpses of Buildings
With old stones.
