Questionless outweigh the collective's sensible side
Poverty on pangea can polarize plenty more
Till there are only two classes left: Dick and Serf

That's not all, next step is
Entire countries without running water or food
Right next to vast fields of golden toilets
With guards protecting bad ideas

Sacrifice of the selfless without selfish consent
This hegemony is hard at work

Get back in line, you'll fit in fine
rank and file, reconcile

Questionless people do you
Think you can do any less?
