Dying can't be that easy
Getting born again can be somewhat hard
A snake eating its own tail,
Riding the new wave of new
Don't wait for...
God to judge you because we can't do that

The words you sing are wrong since all masters are
taught exactly what masters are
to know. The chorus sing: "I'm unimpressed"

The one who is only God cannot be top dog
Employer, employ some stale dead dog fuck all fuck
bag

Hey!
Heave! Ho!

Well in case you did miss the memo...
Rest in peace neoclassical absurdity
Let's polish turds
Then eat them
Yum, yum
