Beneath the tailoræŠ<sup>-</sup> stitches Crowds and crowds of butchers play Hung high from the ceiling Staring at it, wondering how... No tree, no wall can stop their hell No snake, no trick is accounted for I am the murderer Complete this fatal moment While you抮e twisted and ready For duty calls: you are the bravest of all men No suit, no shoe can hide the smell No snake, no trick is accounted for I am the murderer l抦 clean of consequence I抦 niggling, shameful, guilty l抦 tempted, l抦 hungry Instinct to kill My will has dropped, and I want it with a passion I抦 lead by the weapon and itæŠ<sup>-</sup> red for hire But I抦 clean of consequence I am the murderer
