Time, time and again  
I've seen you starin' out at me.  
Now, then and again, I wonder  
What it is that you see  
Chorus  
With those Angry Eyes.  
Well, I bet you wish you could  
Cut me down with those Angry Eyes...  
You want to believe that  
I am not the same as you.  
I can't concieve, oh no,  
What it is you're tryin' to do  
Chorus  
What a shot you could be if  
You could shoot at me  
With those Angry Eyes...  
You tried to defend that  
You are not the one to blame.  
But I'm finding it hard, my friend,  
When I'm in the deadly aim  
Of those Angry Eyes.  
Chorus  
What a shot you could be  
If you could shoot at me  
With those Angry Eyes...  
You have never stopped to realize  
Blindness binds us together in the foster skies.  
Can you see me through those Angry Eyes?
