Life is a game, life is a fight  
Forever in love you're on the run  
Life is a game, life is a fight  
You teach me what's right and you teach me what's  
wrong  
Wherever I go, whatever I do  
All that I want is to be with you  
Life is a game, life is a fight  
Forever in love we're singing the song

Life is a fight and life is a game  
So hang on it here and don't complain  
Sometimes sun and sometimes it rains  
So many walls like I can't explain  
So keep on jumping right off the lane  
Life goes on like a famous brain  
If you try... don't give up... right once again  
Watch out... out who's got the lane  
Don't stop move... reach...  
...move frame by frame  
I...  
If you don't try you have no one to blame  
... lose game  
Don't get too wild when you can't pretend  
Really.. life is a game

Fight for the things that money can't buy  
Reach for the lib... and the...  
Fight that so don't ask me why  
Get off .... so shy  
... the time goes by  
See the thing...  
But I've never heard... sky  
... rasta...  
Cosmic fight so make me fly high  
Send all requests ...  
I fight and I fight and I wait for a ply  
Take a more look you'll see...  
Take a ...  
No ...  
Life... Don't let it pass by
