So it's monday morning and I'm feeling lucky
Maybe the earth will open up and swallow me
Because it's chewing up and chewing
And I'm suprised it hasn't spit me

I hope some other day I will find words to describe this
And I'll be whirling about like a dress on the line
I'll be frozen in time

But right now
Said right now
I need a fucking line
And I wonder why you haven't called me
Because It's monday morning and I'm feeling lucky
Maybe the earth will open up and swallow me
Because it's chewing up and chewing
And I'm suprised it hasn't spit me
And I'm suprised...
