No, don't touch me,
'Cuz you'll give me that feeling,
When you touch people they say,

[Chorus]
What, is this, contagious feeling,
Coming over me,
Coming over me,
What, is this, contagious feeling,
Coming over me,
Coming over me,

No, I'll say it again,
Don't touch me,
I don't wanna get sick,
I don't want this feeling,

[Chorus]

No, don't touch me,
Don't touch me,
Don't touch me,
Don't place your hand on me,
No, don't touch me,
DON'T, TOUCH, ME

[Chorus]

Yes it's coming,
Yes it's coming,
Over me.
