Help Me!
'Cuz it's hurting me,
It's hurting me
This radiation.

[Chorus]
Radiation, blowing in my face,
Blowing in my face,
Blowing in my face,

I was messin' around one day,
And it started blowing in my face,
It started hurting me,
This radiation.

[Chorus]

No, get it the fuck away,
It's hurting me,
Get out of my fuckin' face,
This radiation.

[Chorus]

Blowing in my face,
Blowing in my face,
Blowing in my face,
Blowing in my face,
THIS RADIATION!
