"Live Our Father's Teaching"

Visit "[Live Our Father's Teaching](#)" on MotoLyrics.com

This is the time of all times
When man should be compelled to choose
To choose between good and evil

Be ... free... all the children of man
Because the light of the ... shines in the heart of all men
And all men shall learn the words of Jah he's spoken

Behold, the time has come
When the truth has been told
Reveal all to men that faith is more than reaching

The time has come
To live our fathers' teaching
The time has come
To live our fathers' teaching

The time has come
To live our fathers' teaching
The time has come
To live our fathers' teaching

Awake, all you children of man
Seek not by threat of blood
But from the wisdom of all knowledge

To all man it is promised a gift of eternal life
Life has... high
It will soon be your will
