Come get into bed
And give me a kiss goodnight
You won't find me dead
If you stay with me 'til daylight
I'll be fine

It's these demons in my head
Always telling me to do things
Pump evil through my veins
To keep the devil by my side
Keep him alive

Sweet Jesus I'm insane
So I think it's time to fly
Somewhere far away
To a place behind the sky
I think it's time to fly
To a place behind the sky
I think it's time to fly
To a place behind the sky
You'll be fine
I think it's time to fly
To a place behind the sky
I think it's time to fly
To a place behind the sky...
