High as the night sky
Beat me like you mean it this time
Grab yourself a fistful of my hair and hold tight

'Cause baby I am high as a kite
High as the night sky
Yeah baby I am high as a kite
High as the night sky

And now's the perfect time to tie me to the bedpost,
Make me your slave
Tape my mouth closed and burn me with cigarettes
until I obey

You say you're gonna punish me backwards
'Cause I've been bad
You say you're gonna punish me backwards
Punish me backwards
And you don't take no prisoners
No prisoners

With a wounded man in the room next door you bleed
him out
You bleed him out

But I won't even flinch at the sight of a full blown
massacre
No I won't even flinch at the sight of a full blown
massacre

'Cause baby I am high as a kite
High as the night sky
Yeah baby I am high as a kite
High as the night sky

So go ahead and punish me backwards 'cause I've
been bad
Yeah go ahead and punish me backwards
Punish me backwards
'Cause I won't even flinch at the sight of a full blown
massacre
