Whirl me around again
I'd like to fall
Turn me away from then
Into new arms
Cuz it's been so long since I've been wrong
About something so small

You're blind and ok fine. I'm uptight
Well you are blind and ok fine. I'm uptight
But I'm out of time and I've changed my mind
I said I'm out of time and I've changed my mind

Dance with me one last time
Kiss me like you did that morning
Before I took away my body
Before I took away my body

Fall into new arms
Into new arms
While you
Fall into new arms
Into new arms
I fall into new arms
Into new arms
While you
Fall into new arms
Into new arms

So whirl me around again
I'd like to fall
Turn me away from then
Into new arms
Cuz it's been so long since I've been wrong
About something so small

You're blind and ok fine. I'm uptight
Well you are blind and ok fine. I'm uptight
But I'm out of time and I've changed my mind
I said I'm out of time and I've changed my mind

Dance with me one last time

Kiss me like you did that morning

Fall into new arms
Into new arms
While you
Fall into new arms
Into new arms
I fall into new arms
Into new arms
While you
Fall into new arms
Into new arms
