"Heaven Or Hell"

so i said to myself
i don't want anybody else
that was all just a bad dream
and now you are here with me
but i think to myself
i don't love anybody else
this is where my heart is
this is where my heart is
this is where my heart is

but i wonder sometimes
if my words have to rhyme
for our love to survive this
and when will you ask
is this heaven or hell?
was that all just a bad dream
before you were here with me
before you were here with me
before you were here with me

and i said to myself
i don't want anybody else
i don't want anybody else
but i wonder sometimes
if my words have to rhyme
for our love to survive this
for our love to survive
for our love to survive this
for our love to survive
