Come on (come on let me show you where it's at)  
Ah, come on (come on let me show you where it's at)  
Whoa!, come on (come on let me show you where it's at)  
I said the name of the place is I like it like that

Come on (come on let me show you where it's at)  
Ah, come on (come on let me show you where it's at)  
Whoa!, I wanna show you (come on let me show you where it's at)  
I said the name of the place is I like it like that

They got a little place a-down the track  
The name of the place is I like it like that  
You take Sally and I'll take Sue  
And we're gonna rock away all of our blues

Come on (come on let me show you where it's at)  
Oh, come on (come on let me show you where it's at)  
Ah, come on (come on let me show you where it's at)  
The name of the place is I like it like that

The last time I was down they lost my shoes  
They had some cat shoutin' the blues  
The people was yellin' and shoutin' for more  
And all they kept sayin' was-a "go man, go"

Come on (come on let me show you where it's at)  
Ah, come on (come on let me show you where it's at)  
Oh, I wanna show you (come on let me show you where it's at)  
I said the name of the place is I like it like that

Come on (come on let me show you where it's at)  
Ah, come on (come on let me show you where it's at)  
Oh, come on (come on let me show you where it's at)  
The name of the place is I like it like that
