I've had some time to sort it out
Took your pictures off of my shelf
Tried my best to forget all the times
I was crucified
Crucified
Crucified

A shot of dope would do me fine
I forget sometimes what it's like
To be dead inside
Dead inside
Dead inside

Daddy's going to the movies
And he's never coming back
He's never coming
Daddy's going to the movies
And he's never coming back
He's never coming back
Never coming back

We're not so different after all
And yes, I do think that it's your fault
For keeping yourself hidden in lies
Let's play Jesus Christ
Jesus Christ
Jesus Christ

Daddy's going to the movies
