Well it's too tall
It's too tall
It's too tall for me to climb

And it's so hard
So hard
It's so hard for me this time

Because I'm small
So small
I am too small for you to find

And it's too far
It's too far
It's too far to fall behind
It's too far to fall behind

With no one to hold you
No one to sign
No one to sign on the dotted line

There's no one to save you
Nowhere to hide
You'll have to save yourself this time
You'll have to save yourself this time

Cuz it's hard
So hard
It's so hard to say goodbye
It's so hard to say goodbye
It's so hard to say goodbye
