I am alone
But adored by a 100, 000 more
Then I said when you were the last
And I have known love, like a whore
From at least 10, 000 more
Then I swore when you were the last

You were awake,
And I should have stayed, but wandered
I was only out for a day
Out for a day
It was Chicago for a moment
And then it was
Paris and London for a few days

Well, I am alone
But adored by a 100, 000 more
Than I swore when you were the last

When you were the last high
High, high, high
When you were the last high
High, high, high

So maybe you loved me
But now maybe you don't
And maybe you'll call me
Or maybe you won't

So, I am alone
But adored by a 100, 000 more
Then I said when you were the last
And I have known love, like a whore
From at least 10, 000 more
Then I swore when you were the last

When you were the last high
High, high, high
When you were the last high
High, high, high
