Then you want something you can't have and you try to
take it back
You try to take it back

But I
I heard just what my father had said
And he put it in my mind
I was a waste of time who wasn't going anywhere
I wasn't going anywhere
I wasn't going anywhere

I saw just what my brother had done and he made it
look like fun
I thought it looked like fun

And I know how
I know how to make mother cry
Been doing it all my life
I've done it all my life
It didn't get me anywhere
It didn't get me anywhere
It didn't get me anywhere

I lay down and surrender myself, so you win the war
this time
You win the war this time

And I
I don't care where you are going to go
But you need to go tonight
You need to go tonight
'Cause I'm not going anywhere
I'm not going anywhere
I'm not going anywhere
