She's my honey
the way she's moving when she walks
the way she makes with Groovy Talkie Talk
she takes my money
but I don't care
I never mind
I've never been a Meanie Miser Kind
drives me wild
she drives me wild.

Drives me crazy
the little things she does to me
it makes it very easy to be good to me
my wide eyed baby
she's mine all mine
she's real petite
sugar sugar she's so sweet and good to me
drives me wild
she drives me wild.

C H O R U S :

It's a long long way to Carole o. k.
if I don't run it'll take all day
she never promises to wait
but I love Carole Carole o. k.
it's a long long way to Carole o. k.
I know that she won't wait all day
s' you see I can't be late
'cos I love Carole Carole o.k.
