You want to stay, I wanted you out
Get out
You're everything that I laugh about
You're your own antithesis now
I hope that you, you make yourself proud
You're not useless when you're used
When your exhausted heart and thighs are being
bruised

Wipe your tears away
Tell me what would daddy say
About that slattern little alley cat he raised
Wipe those tears away (Wipe those tears away)
Tell me what would daddy say (what would daddy say)
About that slattern little alley cat he raised

You know someday, you'll figure it out
This out
You're the type I'm writing about
You want to change but now it's too late
Cause you're engaged to decisions you've made
You're not useless when you're used
When your exhausted heart and thighs are being
bruised

Wipe your tears away
Tell me what would daddy say
About that slattern little alley cat he raised
Wipe those tears away (Wipe those tears away)
Tell me what would daddy say (what would daddy say)
About that slattern little alley cat he raised

Oh, now you can't quite blame yourself but you're guilty
You're guilty
You can't quite blame yourself but you're guilty
You're not useless when you're used
When your exhausted heart and thighs are being
bruised

Wipe the tears away (Wipe the tears away)
Tell me what would daddy say (what would daddy say)

About that slattern little alley cat he raised
