If ever you're feelin' lonely
I know that I am not the only one
That you can call
But keep me in mind

This feeling of lust is haunting
Following me and wanting you
To think of a time
And keep me in mind

I know you've had many
And I haven't any to show
But what I can't give you
I'll equal with love

When darkness resolves to slumber
Remember that I'm your number one
That you can call
So keep me in mind

I know that while needing someone
Is only a thought that comes from me
Hoping that you
Will keep me in mind

I know you've had many
And I haven't any to show
But what I can't give you
I'll equal with love
