I'm thinking about when I was a sailor  
Spent my time on the open seas  
When we'd stay off the coast of Santa Barbara

I'd secretly steal ashore  
The natives were waiting for  
The boy with the lazy soul  
To sing with the sailor

Vahevala, homeless sailor  
Vahevala, homeward sail away  
Vahevala, homeless sailor  
Vahevala, homeward sail away  
Every evening I'd be gone  
Back on board by break of dawn

I'm thinking about the nights in Jamaica  
Pretty girls dancin' here and there  
Stole a keg and now I'm drunk as a sailor

The captain he don't know  
Where Billy he done go  
Singing with native girls  
The songs of a sailor

Vahevala, homeless sailor  
Vahevala, homeward sail away  
Vahevala, homeless sailor  
Vahevala, homeward sail away  
Every single, single way  
Gotta be back on board by break of day

Every night in Jamaica  
I'd sing with the lady  
And drink with the men till the morning appear

Healthy sunshine  
Is fresh on my face  
As the songs of the night puts  
The ring in my ear

Vahevala, homeless sailor

Vahevala, homeward sail away  
Vahevala, homeless sailor  
Vahevala, homeward sail away  
Every single, single way  
Gotta be back on board by break of

Vahevala, homeless sailor  
Vahevala, homeward sail away  
Vahevala, homeless sailor  
Vahevala, homeward sail away
