Chorus

Your mama don't dance and your daddy don't rock and roll
Your mama don't dance and your daddy don't rock and roll
When evening comes around and it's time to go to town
Where do you go? To rock and roll

The old folks say that ya gotta end your date by ten
If you're out on a date and you bring it home late, it's a sin
Just ain't no excusing, you know you're gonna lose and never win
I'll play it again

And it's all becauseâ€¦!

Chorus

Interlude

You pull into a drive-in and find a place to park
You hop into the backseat where you know it's nice and dark
You're just about to move in, thinking it's a breeze
There's a light in your eyes, and then a guy says,
"Out of the car, Longhair"
"Louise, you're coming with me and no more movies"

And it's all becauseâ€¦!

Chorus

Where do you go? To rock and roll
Where do you go? To rock and roll
