I'll Never say never, but I'll always stay clever  
And maybe one day we can be together  
I can't complain I can't compete  
Got 20 in my wallet and that's for me  
But if I get the guts to pull a fake I'd  
Then at the age of 19 I'll drink legally  
Cuz honestly where has honesty gotten me?  
I'm not gunna lie that drinks not on me  
RB you can forget the V  
She's charming, but still costs a fee  
So if you wanna get drunk then it's up to you  
She said it's all I ever wanted but I need it too  
Tried and true, so if I'm eyeing you  
It means I wanna say hi but my pockets too shy to  
I'm tryin to finish it off right  
But the only thing I spend is the night

Even though I can't buy you a drink I can still give you  
sex on the beach  
I said, even though I can't buy you a drink I can still  
give you sex on the beach

Ya sex on the beach,  
It'll be my treat and I guarantee  
That just a few light pulls from fifth of V  
Will have us buzzin buzzin buzzin like the fuzz on a  
peach  
You thought it wasn't? well you best believe  
Were havin fun cuz in my heart I just turned sixteen  
And I hope that you don't pass on me cuz I'm cheap  
My greatest power power, is the powerr of the is  
speech  
Cuz I turn sour, the sour, into the sweet  
And in the hour that it took to devour the beat  
I took a shower, shit, shaved and had to flower the  
seed  
And tho the ADHDs been crazy lately  
I have no trouble focusing on you and me  
Cuz you deserve my attention, your cute little feet,  
Crest white teeth, the dimple on your left cheek  
And the way you always say you like to KIT

I guess essentially, I know your meant for me  
And what I can't provide for you financially  
I make up by just askin will you dance with me  
On the beach  
Dance with me on the beach

Even though I can't buy you a drink I can still give you  
sex on the beach  
I said, even though I can't buy you a drink I can still  
give you sex on the beach
