Spring Break 1987

Kids out of school, they're in seventh heaven
For one short week nothing's out of reach
They make their way down to Balboa Beach

Boys look for girls, girls look for boys
Showing off their cars and making lots of noise
Words on the Fun*zone, no one can deny it
There's a mob of restless kids looking for a riot

There's a Riot! Riot! Riot! Riot at the beach!!!!
There's a Riot! Riot! Riot! Riot at the beach!!!!
There's a Riot! Riot! Riot! Riot at the beach!!!!
There's a Riot! Riot! Riot! Riot at the beach!!!!

Labor Day weekend '86

O.P. surfer pros doin' their tricks
The heat and booze seem to stir the tension
Bikini contest got the crowds attention

Next thing you know cars are overturned
Windows broken, buildings burned
All because a bimbo gave the crowd a little peak
Who'd ever think that would cause a riot on the beach

There's a Riot! Riot! Riot! Riot at the beach!!!!
There's a Riot! Riot! Riot! Riot at the beach!!!!
There's a Riot! Riot! Riot! Riot at the beach!!!!
There's a Riot! Riot! Riot! Riot at the beach!!!!

There's a Riot! Riot! Riot! Riot at the beach!!!!
