Bombers in the sky
No one's asking why
We have to duck and cover
When the bullets start to fly

When the bullets start to fly
We have to duck and hide
Just a game of cat and mouse

Cruise missiles in production
That are locked and set
Annihilate the cancer
Of the US deficit

Spend a little more
Fix it with a war
Just a game of cat and mouse

Work a 60 hour week
Still can't pay the rent
Tax away my wages
To bomb another tent

Bomb another tent
How much money's spent
Just a game of cat and mouse

Treason to contest
Where the money goes
Building shelter, buying clothes

Where does the money go
Where does the money go
Just a game of cat and mouse

Hawks and doves

Blood all over
A gangster debt
Tanks on CNN
Propaganda TV set

Propaganda TV set
Propaganda TV set
Just a game of cat and mouse

Borders we've established
To keep each other out
Serve the purpose all too well
To even talk about

Lock each other up
Lock each other out

A child lays bleeding
From a random shot each day
We can't stand the pain
So we quickly look away

The time has come today
Do not look away
Just a game of cat and mouse

Lock each other up
Lock each other out
Blow it all to hell
In wars we cannot win

Wars we cannot win
Wars we cannot win
Just a game of cat and mouse
