Instant Karma's gonna get you  
Gonna knock you right on the head  
You better get yourself together  
Soon you're gonna be dead

What in the world you thinking of?  
Laughing in the face of love  
What on earth you tryin' to do?  
Well it's up to you, yeah you!

Instant Karma's gonna get you  
It's gonna look you right in the face  
Better get yourself together darlin'  
Join the human race

Why the world you gonna see?  
Laughin' at fools like me  
Who in the earth do you think you are?  
A super star? Well, right you are!

And we all shine on  
Like the moon and the stars and the sun  
And we all shine on  
Everyone! Shine on!

Instant Karma's gonna get you  
Gonna knock you right off your feet  
You better recognize your brother  
Everyone you meet

Why in Earth are we here?  
Surely not to live in pain and fear  
Why on Earth are you there?  
When you're everywhere  
Come and get your share

And we all shine on  
Like the moon and the stars and the sun  
And we all shine on  
On and on and on...

Yeah yeah, alright...

And we all shine on  
Like the moon and the stars and the sun  
And we all shine on  
Everyone! Shine on!
