I know, I know  
You've come to take me down  
I knew this would happen

Relax  
Could it be you were meant for this?  
Did you ever doubt it?

But if I cease to be  
What of all those lonely, lonely nights?  
Your darkroom and your 8x10's?  
And if I cease to be  
Who will you believe in anymore?  
This world is such a bore

Some lives have a way of colliding  
And blurring into headlines  
I've had dreams about this for years, you know  
(Thought you would be taller)

But if I cease to be  
What of all those lonely, lonely nights?  
Your darkroom and your 8x10's?  
And if I cease to be  
Who will you believe in anymore?  
This world is such a bore

Such a beautiful world  
What a beautiful lie  
Such a beautiful world  
What a beautiful lie  
Such a beautiful world  
What a beautiful, a beautiful lie

Maybe I'm amazed at how real this is  
That's why I'm not frightened  
Oh no, guess my time's coming to an end  
You've taken your mask off

Such a beautiful world  
What a beautiful lie  
Such a beautiful world

What a beautiful lie  
Such a beautiful world  
What a beautiful, a beautiful lie
