She's got her nose in the mirror  
She's got her mind in a cloud  
I want so much to be near her  
But I'm gonna have to wait

[Chorus:]

'Til she comes - Down!  
'Til she comes down!  
'Til she comes - Down!  
'Til she comes down!

She's a classy, sassy, flashy lady  
She hides her heart in a shroud  
I'd take a nod or a maybe  
But I'm gonna have to wait

[Chorus]

No need to talk, she won't listen  
Not 'til she come down  
She's unaware of her condition  
Not 'til she come down

I think the world of her  
She makes my world go 'round  
I only wanted to love her  
But I guess I'll have to wait

[Chorus]

No need to talk, she won't listen  
Not 'til she come down  
She's unaware of her condition  
Not 'til she come down  
'Til she come down!  
'Til she come down!  
'Til she come down!  
'Til she come down! Down! Down! Down! Down!  
No, no, no, no, no, no, no...
