Verse

How could i believe those precious words that u have
use so loosely i love i love you how could i receive dose
foolish lies that u have spoken to me but i miss i miss
you

Chorus

We lived our lives thinking dat our love was true its
over now it always was for u who would ever think a
thing like dis could've happen to me perfect love is just
a dream.
That's not the way to treat a heart That's not the way to
love somebody That's not the way to treat a heart That's
not the way to love someone

Verse2

So the story goes all fairy tales must have a happy
ending o no not fove and u will never see me cry cause
ill under hold the pain i felt inside goodbye goodbye
goodbye love

Chorus

We lived our lives thinking that our love was true its
over now its always was for u who would ever think a
thing like this could've happen to me perfect love is just
a dream
That's not the way to treat a heart
That's not the way to love somebody
That's not the way to treat a heart
That's not the way to love someone

Not the way x5

Repeat chorus x2
