and are aware of each other
not going for me
being both their lover

One girls fulfill my physical needs
the other girl provides for me mentally
both parties makes up my world
my minds in confusion
wondering which girl

Now the girl

but the both of them i been abuse
i'm going crazy what should i do
who should i choose.

verse 2
This situation has got me under pressure
i know when it's over one of them will suffer
this time i can't have my cake and eat it to
i have to make a decision on what will i do
