(Beat)  
Ooh yeah yeah  
Uh-huh, ooh  
Ooh Antonio  
Yeah yeah  
Uh-huh

Tonight out in Brooklyn  
Where it's always off the hook  
And I was cruising with my favorite gang  
We stepped up inside this night spot  
Cause we heard it was tight HOT  
We was groovin' doin' okay  
(Whoop! Whoop!)  
We were standing at the sideline  
And the place started wilin'  
When this one guy took control of the crowd  
(What'd he do girl?)  
That fella rocked the party  
Like you ain't heard nobody  
It was one man and he turned it out

I wonder why  
He's the greatest DJ  
I wonder why  
But you'll never hear  
I wonder why  
He's the greatest DJ  
I wonder why

The champion of sound  
My man he loves to put it down  
And he never leaves the disco alone  
I can dance then I can see  
Makes the jam so complete  
La crem de la crem  
Please take me home  
He rocks the hottest joint  
And his mixes be on point

Ooh and the kid gets a flow  
(What's the name girl?)  
Tony Toca, me tiene loca  
You got me actin' ill  
I can stop and stand still

Repeat 1

(Ooh, ooh, ooh)  
Uh, yeah what? OH!  
Check it out girl  
Yeah uh check it out world  
Uh say what? Say what? Yo!  
There ain't a problem that I can't fix  
Why not?  
Cause I do it in the mix  
And if your man gets in trouble  
He'll bounce on the double  
And come to the spot girlfriend so we can bubble  
Me and you one on one with the music  
Play the hot shit that makes ya just lose it  
On the dance floor you start buggin'  
Actin' all silly with the big willies  
For realys...that's what this here be all about  
Uh forget the drama I'mma get you out  
Yo see my techniques nothin' sweet  
It gets ugly girl so let's creep  
Come on
