Tomchi tomchi tomchi yomg'ir,  
Shamol esdi esdi g'ir-g'ir,  
Bahmal bahmal bo'ldi bo'gim,  
Gullarga to'ldi quchog'im.  
Yashil yashil yashil o'tlar,  
Orasida sariq gullar,  
O'rik guli oq kapalak,  
Osmondagi mun kamalak...

[Naqorat]

Bahor, bahor,  
Bizga bo'lar yangi hayot yor,  
Bahor, bahor,  
Bizga bo'lar yangi hayot yor...

Qancha qancha qancha boqsam,  
Osmonga teggan tog'larga,  
Ko'zim ko'zim ko'zim to'ymay,  
O'zim boraman bog'larga.  
Tegib tegib toshdan toshga,  
Shoshib oqadi shalola,  
Yuzin ochib erkanib,  
Bahor qizi qizil lola...
