Osmon yig'lar, go'yoki mening
Qismatimga achinar,
Sovirsa yel bu umrimning
So'nggi oniga qilmishim.
Meni jonidan sevgan azizim,
Kutgan baxting berolmayman,
Seni mendek chin dilidan sevar,
Sodiq yurakka beraman.

O hayot, o hayot,
To'ymadim senga, hayot.
Ayirar qismat
Shirin bag'ringdan,
Tayyorman bunga, hayot,
O hayot, o hayot!

Ulgurmadim qadrdonlarga
Burchni ado etishga,
Ulguray lekin sal bo'lsa ham,
Mehrini soldirishga,
Toki ular hech ozor chekmasin
Bevaqt judolikdan.
Mehribonlarim, hayotingizdan
Ketsam edi bilinmasdan.

O hayot, o hayot,
To'ymadim senga, hayot.
Ayirar qismat
Shirin bag'ringdan,
Tayyorman bunga, hayot,
O hayot, o hayot! (2x)
