No Strings

It's the first thing on my mind when I wake  
It's the last thing on my mind when night defeats the  
day

I need it so bad  
It makes me feel like a woman  
And it's so good  
Let me make you feel like a man

Baby

CHORUS

Let's have sex  
No strings attached  
Real good sex  
Baby, I need to relax  
I don't even know you and I don't care  
Cause you've got what I want and I want all you've  
got  
Come on baby, let's do it right here

I need what I need when I need it, I'm just a woman  
child

I'm not gonna lie about it, I'm untamed and wild  
It makes me stronger  
I can't help it  
Make it last longer  
As long as you can take it, baby

CHORUS

Let's have sex  
No strings attached  
Real good sex  
I need to relax  
I don't even know you and I don't care  
Cause you've got what I want and I want all you've  
got  
Come on baby, let's do it right here

And now strip

Strip for me baby, do it nice and slow  
Take off your shirt, take off your shoes, take off your  
belt, take it all off, baby

And do what I need you to do  
Ooh, ooh, ooh  
I need to relax, oh  
I don't even know you and I don't care  
Cause you've got what I want and I want all you've  
got  
Baby, come on let's do it right here  
Let's have... Let's do it, baby  
Ooh
