O'ylamas edim bahtimni yashar deb dunyoda,  
Ne bo'lsa ham borligingni bildim men bu dunyoda.  
O sevgilim, mening yagona bahtim yolg'izim, sevgilim,  
Sen bilan mening qalbim, taqdir ekan jonim,  
Sen qola olmaysan, men ham ketolmayman sen bilan,  
Senga ishonaman, qalbingda yashayman, hayolan birgamas sen bilan.

Qayda bo'lsang ham, sog' omon bo'lgn, o'zingni asra men uchun,  
Qayda bo'lsang ham, hech unutmagin, sen yagonasan men uchun.  
Qayda bo'lsang ham, sog' omon bo'lgn, o'zingni asra men uchun,  
Qayda bo'lsang ham, hech unutmagin, sen yagonasan men uchun.

Sen ketarsan, sog'inarman, kuzatib ulgurmasdan,  
Ishon seni qumsab yashayman, bir zum ham unutmasdan.  
O sevgilim, mening yagona bahtim yolg'izim, sevgilim,  
Sen bilan mening qalbim, taqdir ekan jonim,  
Sen qola olmaysan, men ham ketolmayman sen bilan,  
Senga ishonaman, qalbingda yashayman, hayolan birgamas sen bilan.

Qayda bo'lsang ham, sog' omon bo'lgn, o'zingni asra men uchun,  
Qayda bo'lsang ham, hech unutmagin, sen yagonasan men uchun.  
Qayda bo'lsang ham, sog' omon bo'lgn, o'zingni asra men uchun,  
Qayda bo'lsang ham, hech unutmagin, sen yagonasan men uchun.
