You told me once
And I knew that you meant it.
You told me goodbye
You wanted me to feel
What it's like
It feels surreal.

Chorus: To get your heart crushed
By that one you love.
Your castle's built
But then it comes crashing down.
To get your heart crushed
To get your
To get your heart crushed
Heart crushed

Broken up!
You made me hurt inside.
You tried to make me feel the pain.
The suffering!

You remembered that one day,
The one where I quit it off.
I knew I loved you
I was just confused
But now it was your turn...

Chorus: To get your heart crushed
By that one you love.
Your castle's built
But then it comes crashing down.
To get your heart crushed
Heart crushed
Heart crushed
To get your heart crushed.

When you love someone
No doubt they'll break your heart.
You gave up on me
Now my hearts crushed in two.

To get your heart crushed.

Now I feel just like you...
