As close as a whisper  
As distant as a star  
Everything I dream is everything you are  
Your raven dark hair, alluring dark eyes  
Full of mystery, innocent but wise  
You make love worth waiting for  
Amor, Amor  
In a hacienda in Spain  
Or a blanket on the floor  
Amor, Amor

I know I was born to love you, amor  
As quick as a heartbeat  
That's how long it took  
To fall in love with you and open up the book  
You're where I want to be, you're what I want to taste  
You're how I want to live, nowhere and everywhere  
You know how much you're adored  
Amor, Amor  
In a hacienda in Spain  
Or a blanket on the floor  
Amor, Amor

I know I was born to love you, amor  
I hold you in the darkness  
You show me where my heart is  
I do whatever you require  
Love, need, want, desire  
As close as a whisper  
As distant as a star  
Everything I dream is everything you are  
Amor, Amor

In a hacienda in Spain  
Or a blanket on the floor  
Amor, Amor  
I know I was born to love you, amor  
Amor, Amor  
In a hacienda in Spain  
Or a blanket on the floor  
Amor, Amor I know I was born to love you, amor
