I used to think of you a thousand times a day
It was in another life
Over and over Iâ€™d call again
That was in another life
Ainâ€™t nothing that you can do, no no
You canâ€™t hurt me anymore
Thereâ€™s nothing that you can do, no no
You canâ€™t hurt me anymore
Thereâ€™s nothing left thatâ€™s new â€“ for me and you
Just the old familiar feelings
Weâ€™ve been through this
Many times before and

Chorus:

Amen â€“ here we go again
Gotta get it right this time my friend
I donâ€™t wanna waste another life
And a hey you â€“ watcha gonna do
Are you gonna learn from d?j? vu?
Are you gonna waste another life?

How many times did we act out this play?
Like a husband and a wife
How can we go through this all again?
Echoes of another life
So â€“ here we go â€“ round and round, again
As we close the memory door
Yo â€“ here we go â€“ back for more of the same
Just the same old situation
Weâ€™ve been through so
Many times before and

Chorus:

Amen â€“ here we go again
Gotta get it right this time my friend
I donâ€™t wanna waste another life
And a hey you â€“ watcha gonna do
Are you gonna learn from d?j? vu?
Are you gonna waste another life?

Oh â€“ I know â€“ the more that it changes
The more it stays the same

On - and on - we run towards disaster
Just like moths drawn to an old eternal flame

Repeat Chorus
