Tonight weâ€™re gonna hang out  
Me and my girls gonna hit a party gonna wild out  
Manicured, pedicured so we look tight  
And thereâ€™s just enough money for the night out

So now itâ€™s time that we go hop up in my 6-4  
Drop top down heading for the disco  
Maybe we might catch some guyâ€™s eyes  
If we donâ€™t we donâ€™t care,  
â€™Cause weâ€™re still gonna have a good time

Itâ€™s friday night  
Got vision in my head  
And tonight on my mind  
So let the music play  
So let me hear you say...

Oooh weâ€™re gonna have some fun  
Oooh party all night long  
Oooh thatâ€™s all we think about  
Oooh no matter whatâ€™s going down  
Eo Eo no matter whatâ€™s going down  
Eo Eo weâ€™re gonna do this anyhow  
Eo Eo no matter whatâ€™s going down  
Eo Eo weâ€™re gonna do this anyhow

We pull up the valley  
Weâ€™re turning heads like a hammer on the freeway  
We graze through the crowd eyes on us  
People s..stuttering saying â€œhey, who are they?â€  
Wall to wall, back to back packed so tight

But V.I.P. is where we kick it for the whole night  
Iâ€™ve been watching these us out  
But theyâ€™re flaking and theyâ€™re scared  
We donâ€™t care we gonna have a good time

Itâ€™s friday night  
Got vision in my head  
And tonight on my mind  
So let the music play  
So let me hear you say..

Ooh weâ€™re gonna have some fun  
Ooh party all night long  
Ooh thatâ€™s all we think about  
Ooh no matter whatâ€™s going down  
Eo Eo no matter whatâ€™s going down  
Eo Eo weâ€™re gonna do this anyhow  
Eo Eo no matter whatâ€™s going down  
Eo Eo weâ€™re gonna do this anyhow
