Tonight you will call out my name  
And you will see my lungs expand  
With me you'll have no reservations  
And you will call my name again

So open up your body  
Lay me on the floor  
I wish that you were watching  
I wish you wanted more  
Cuz no one's ever touched me  
Like the way you do  
No one's ever owned me  
Nobody but you  
So open up your body  
Cuz we're not having any fun  
Cuz we're not having any fun

And i will heed your every word  
Blind you with my brilliant tongue  
You'll forget your favorite colors  
And you will call my name again

So open up your body  
Lay me on the floor  
I wish that you were watching  
I wish you wanted more  
No one's ever touched me

Like the way you do  
No one's ever owned me  
Nobody but you  
So open up your body  
Cuz we're not having any fun  
We're not having any fun [x2]  
No, we're not having any fun

Open up your body  
Lay me on the floor  
Wish that you were watching  
Wish you wanted more  
Cuz no one's ever touched me  
Like the way you do

No one's ever owned me  
Nobody but you

Open up your body  
Lay me on the floor  
I wish that you were watching  
I wish you wanted more  
Cuz no one's ever touched me  
No one's ever known  
The beauty that's my body  
Nobody but you  
Open up your body  
Cuz we're not having any fun  
We're not having any fun [x3]
