With Bunny Sigler

That's how you make me feel, baby
(I do, really) yeah
You're such a fine, a super fine woman
You know that, do you know that, baby
(If you say so)

Only you can whisper words in my ear
Only you can satisfy me, my dear
Only you know how to love a girl like me

Only you can get what I got
Only you (only you) can keep me red hot
Only you know how to love a man like me

I enjoy what you're giving me
Oh, it's so good, it's so good
Comes so naturally, girl

Speaking for myself
And feeling like I do
I would like to say that I love

Only you, only you, yeah
Out the smile on your face
Only you has me dancing in space
Only you, you always do me so good

Time will never, never, never change a thing
You're like the lyrics of the songs I sing
Baby, I like it (do you, honey)
When you treat me like you do
So repeat after me, I, I, I love

Only you (only you) can brighten my day
Only you, only you has me dancing in space
Only you can brighten my day
Only you (only you, only you)
Could do anything you want to me, baby
Only you, baby, can me real hot

Ah, ah, only you, baby, baby
Makes me feel brand new

Honey, you know that
You make me feel all right
Only you, baby
Can brighten my day

You're talking 'bout me, girl
Your little man, yeah
I know how to love you, baby
And I love the way you do
The thing you do

I know how to love you, baby, ooh
I know how to love you, baby, ooh
I know how to love you, baby
(And I thank you, baby)
I know you do, uh, yes, you do
(I thank you, baby)

That's why I ask the Lord above
(I know how to love you, love you, love you)
I get down on my knees and ask him
To bless our love

Only you, only you
You are the sunshine of my life
Only you (oh, it feels so good)
To know that you brighten my day
Only you, only you
Baby, only you, only you
