*[Verse 1]*

I'm a rock of solid stone  
And this place I'm in is not my home  
I feel the wind rushing by  
It see's the world why can't I?  
I'm so good at standing still  
If you don't have me nothin' will

*[Chorus]*

Change me tonight  
Don't be afraid  
If you have to break me  
Change me now  
Into anything you need  
Baby I want to believe  
Your love can save me  
Change me

*[Verse 2]*

I've been lost for so long  
But what I had is almost gone  
There's so much more I could be  
So work your hands into me  
I know exactly who I am

I'll just stay here unless you can

*[Chorus]*

Change me tonight  
Don't be afraid  
If you have to break me  
Change me now  
Into anything you need  
Baby I want to believe  
Your love can save me  
Change me

Baby just make me believe  
Your love can save me

*[Chorus]*

Oh, change me tonight

Don't be afraid  
If you have to break me  
Change me now  
Into anything you need  
Baby just make me believe  
Your love can save me  
Change me

I'm a rock of solid stone  
This place I'm in is not my home
