Verse One:

I saw it in her eyes
When I was sayin goodbye
That girl, she aint gonna be alright
Cuz I could tell
She'd be goin thru a livin hell
And I
I wouldnt be there by her side
Lord I felt so bad
As I sat and watched her cry
Thinkin I was movin on
And she was barely gettin by

Chorus One:

Look at what I've done to her
Look at how I made her feel
I gave back her heart
The broken parts
She got the raw end of the deal
And look at whats its done to me
Gotta know it tears me up
I gave it everything I had
And Lord it wasnt enough
Hurtin her like this seems so wrong
Look at what I've done to her
Now shes alone

Verse Two:

I saw her out last night
she was havin a good time
That girl
It looks like she doin finre
But then I saw a man
Walk up and take her by the hand
And I, oh God I almost died
And then it hit me
she didnt really need me
I just sat there for a while
Until i finally smiled

Chorus Two:

Yea look at what I've done to her
Look at how I made her feel
Shes found somebody new
And look who took the time to heal
And look at what its done to me
Ya gotta know it tears me up
To walk away from the love me made
And just leave it in a cloud of dust
And now its got me thinkin
Maybe i was wrong
After all the things i've done to her...
Now shes strong.

Verse Three:

I walked up and said, "Hello."
She said, "Its good to see ya,"
"But hey I gotta go."

Verse Three:

Yea look at what I've done to her
Look at how I made her feel
Shes standin tall
Shes got it all
Got the world at her heels
And look at what its done to me
Yea look at how it makes me hurt
If I could go back now I swear somehow
I'd find a way to make it work
Aint life funny
Now i'm the one alone
Yea look at what Ive done me to me...
Shes gone.
