One of these days Im gonna write you off
Have this tattoo removed once and for all
Wake up smiling in another life
Without you taking up all the space in my mind

Yeah that just a dream Im living in
Walk out the door and then

[Chorus:]

Cant even watch the sunset
Listen to a song
Just when I think I got you nicked
Wrong!
No matter how hard I try to turn it off
You keep going on and on
Youre never ever gone
Youre never ever gone

Then I think I can fool myself for a while
I try to call up a friend but then I start to dial
Theres a number titterin' in my finger tips
I say your name I didnt mean to It just kinda slipped

I laugh it off like I dont care
But who am I kidding I swear

[Chorus:]

Cant even watch the sunset
Listen to a song
Just when I think I got you nicked
Wrong!
No matter how hard I try to turn it off
You keep going on and on
Youre never ever gone
Youre never ever gone

Cant even watch the sunset
Listen to a song
Just when I think I got you nicked
Wrong! Wrong!
No matter how hard I try to turn it off
You keep going on and on

Youre never ever...
Are you ever gonna leave me alone
Youre never ever gone
Youre never ever gone
Youre never ever gone
